

Celebrating 25 Years of Green Buildings!

2026 is our 25-Year Anniversary! We will be celebrating this exciting milestone all year long & we hope you can be a part of our shared work to connect people, places, and planet for a greener and healthier future. Our first 25 years have built a strong foundation for our next 25. As we celebrate all that we have achieved together, we are ready to look forward and create solutions together – because the future can't wait.

Let's kick off the next 25 years of creating sustainable and healthy solutions together! Join us in celebrating 25 Years of Green Building - **help us shape the future by considering an annual sponsorship**. Look for ways to get involved throughout the year, including:

- **Become a Special 25-Year Anniversary Sponsorship at the \$2,500 Level.** Benefits include all the benefits of a Silver Sponsor, plus special recognition at our Summer Member Social and in our 25 Year publication (more details available soon!).
- **Sustain our endowment** – help fund our endowment to ensure that we can serve our community for another 25 years.
- **Celebrate with us at the Annual State of the Council** – tentatively scheduled for Tuesday, February 10 (location TBD).
- **Share stories with us about YOUR contributions to 25 Years of Green Building accomplishments!**

We have reached this milestone of 25 Years of Green Building thanks to the generous support and engagement of our sponsors! THANK YOU for your support and steadfast commitment over the past 25 Years.

To learn more or get involved, please contact our Executive Director at emily@mogreenbuildings.org

2026 Sponsorship - Connecting people, places, and planet

Partner with Missouri Gateway Green Building Council to:

GROW your knowledge of green building and contribute to a more equitable future by gifting a Green Sponsorship to a Disadvantaged Business Enterprise or community group.

SHOWCASE your leadership and get involved in educational programs and community projects.

GAIN EXPOSURE as an Annual Sponsor - your company is featured on our website, included in our e-news, and recognized at monthly programs.

LEARN about the latest green building and technologies and earn continuing education.

DIFFERENTIATE your company as a leader that is advocating for better, greener, and healthier buildings.

Our sponsorship program is at the center of our efforts to support and promote our industry and community partners. Whether you want to align with our vision for community change, support our work of making buildings climate solutions, be a part of our green schools success, or sponsor an event, we can find a fit for you - or work with you to customize a sponsorship that meets your needs.

Green Schools Sponsors help schools reduce environmental impact, improve health and wellness, and increase sustainability literacy!

What activities will my sponsorship support?

Your partnership will support the implementation of Show-Me Green Schools' programs, which help schools reduce environmental impact, improve health and wellness and increase sustainability literacy:

- ★ Student-Driven projects with community mentors through the Green Schools Quest.
- ★ Systems approach to green schools with progressive recognition for activating changes throughout a school's campus, culture, and curriculum through Missouri Green Schools.
- ★ Honoring green schools leaders from across the nation through Green Ribbon Schools.

What is the impact of Show-Me Green Schools?

- ★ 315 schools have participated
- ★ 470 student-driven projects implemented
- ★ 48 Missouri Green Schools
- ★ 24 Green Ribbon Schools Recognized
- ★ 63 Partner Network Members.

How can my organization explore partnership with Show-Me Green Schools?

Partners provide important support of the programs through grants, sponsorships and in-kind support. Formal sponsor levels are (benefits on next page):

- ★ Champion - \$5,000
- ★ Supporter - \$2,500
- ★ Promoter - \$1,000

Let's work together to advance our shared vision of all Missouri & Southern Illinois schools being places that promote equitable and sustainable environments that ensure the health and wellbeing of their community.
